I can hear you but I won't
Some look for trouble while others don't
There's a thousand reasons I should go about my day
And ignore your whispers which I wish would go away, oh oh oh
Ah ah oh oh
Oh oh
Ah ah oh oh

You're not a voice You're just a ringing in my ear And if I heard you, which I don't I'm spoken for I fear

Everyone I've ever loved is here within these walls I'm sorry, secret siren, but I'm blocking out your calls I've had my adventure, I don't need something new I'm afraid of what I'm risking if I follow you

Into the unknown Into the unknown Into the unknown Ah ah oh oh

What do you want? 'Cause you've been keeping me awake Are you here to distract me so I make a big mistake? Or are you someone out there who's a little bit like me? Who knows deep down I'm not where I'm meant to be?

Every day's a little harder, I can feel your power grow Don't you know that there's part of me that longs to go

Into the unknown Into the unknown Into the unknown

Oh oh oh
Are you out there?
Do you know me?
Can you feel me?
Can you show me?
Ah ah oh oh

Where are you going? Don't leave me alone How do I follow you Into the unknown?
