

Last Christmas / Leave Before You Love Me

Anthem Lights

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

I see you calling
I didn't wanna leave you like that
It's five in the morning, yeah, yeah
A hundred on the dash

Once bitten and twice shy
I keep my distance, but you still catch my eye
Tell me, baby, do you recognize me?
Well, it's been a year, it doesn't surprise me

Dancing on the edge, 'bout to take it too far
It's messing with my head, how I mess with your heart
If you wake up in your bed, alone in the dark
I'm sorry, gotta leave before you love me

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas (leave before you love me)
But the very next day (Leave before you love me)

This year, to save me from tears
I'm sorry gotta leave before you love me
