

Together

Anthem Lights

This is for the busted heart
This is for the question mark
This is for the outcast soul
Lost control, no one knows
Sing it for the can't-go-backs
Sing it for the broken past
Sing it for the just found out
Life is now upside down

If you're looking for hope tonight, raise your hand, hand
If you're feeling alone and don't understand, stand
If you're fighting in the fight of your life, then stand, stand
We're gonna make it through this hand in hand, hand

And if we fall, we will fall together
Together

This is for the second chance
This is for the new romance
Sing it for the loved in vain, overcame
It's not too late

If you're looking for hope tonight, raise your hand, hand
If you're feeling alone and don't understand, stand
If you're fighting in the fight of your life, then stand, stand
We're gonna make it through this hand in hand, hand

And if we fall, we will fall together
Together
When we rise, we will rise together
Together

Ohhh ohhh

If you're looking for hope tonight
If you're feeling alone tonight
If you're in the fight of your life
We're gonna make it happen, yeah
I will be by your side
Cause love is in the air tonight
I hope you see the light
Whenever ever ever
Just as long as we're together, say

If we fall, we will fall together
Together
When we rise, we will rise together
Together

Together we are dangerous
Together with our differences
Together we are bolder, braver, stronger
