

Wake Me Up/Hey, Brother

Anthem Lights

Feeling my way through the darkness
Guided by a beating heart
I can't tell where the journey will end
But I know where to start.
Hey brother
There's an endless road to rediscover.
They tell me I'm too young to understand
They say I'm caught up in a dream
Well life will pass me by if I don't open up my eyes
Well that is fine by me.
Hey sister
Oh the water's sweet, but blood is thicker
So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost.
Oh, if the sky comes falling down
For you, there's nothing in this world I wouldn't do
I'll try carrying the weight of the world
But I only have two hands
Hope I get the change to travel the world
But I don't have any plans.
Hey brother, do you still believe in one another.
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is the prize.
Hey sister, do you still believe in love I wonder
But if I'm far from home
Oh brother, I will hear your call
What if I lose it all
Oh sister, I will help you out
If the sky comes falling down
For you, there's nothing in this world I wouldn't do
So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost
So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost
Didn't know I was lost
Didn't know I was lost
Didn't know I was lost
Didn't know I was lost
Didn't know I was lost
