

God of Breakthroughs

Anthony Evans

Down on, my knees
My hope's awakened
Broken, pieces
Made whole, in Your hands

I called Your Name
You, come to, where I am
Fear is broken
Your love comes, rushing in
Ohhh

There's power
When I speak Your Name
There's freedom
Everytime I pray
Your presence
Always changes me
Jesus! I'm running to You

The God of breakthroughs
The God of breakthroughs

Your love, Your peace
Holds me, when I fall
Jesus, my shame
Your Name, above all

You are with me
Even in the fire
My protector, Jesus
You bring me, back to life

There's power
When I speak Your Name
There's freedom
Everytime I pray
Your presence
Always changes me
Jesus! I'm running to You

The God of breakthroughs
The God of breakthroughs
The God of breakthroughs
The God of breakthroughs

Chains are breaking
Walls are falling
Heaven's coming down

Burdens lifted
Past forgiven
Our praise is, to the Lamb

The chains are breaking (chains are breaking)
Walls are falling (walls are falling)
Heaven's coming down (Heaven's coming down)

Burdens lifted (ooh-ooh)
Past forgiven (the past is forgiven)
Our praise is, to the Lamb (we sing praises to the Lamb)

Chains are breaking (chains are breaking)
Walls are falling (walls are falling)
Heaven's coming down (oh Heaven's coming down)

Burdens lifted (burdens lifted)
Past forgiven (past forgiven)
Our praise is, to the Lamb (all praises to the Lamb!)

There's power
When I speak Your Name (call on You Jesus)
There's freedom
Everytime I pray (everytime I pray)
Your presence
Always changes me (ohh)
Jesus! I'm running to You

The God of breakthroughs
The God of breakthroughs

There's power (chains break)
When I speak Your Name (when we call Your Name)
There's freedom (oh You're faithful)
Everytime I pray (mighty to save us)
Your presence (You lifted burdens)
Always changes me (the past is forgiven)
Jesus, I'm running to You (I'm running to You)
The God of breakthroughs...
