

Califone

Anthony Green

Come and you will find here
Roses have lost their glow
The band's played for too long tonight
The soldier's strength left him (?)

Califone I love you
But your doing colorless
Califone I love you
But your singing so natural again

Come and you will find here
Roses have lost their glow
The band played for too long tonight
The (?)

Califone I love you
But your doing colorless
Califone I love you
But your singing Sinatra again
