

Davey Destroyed the Punk Scene

Anti-Flag

He thinks because he's got spikes on his leather
That he's the punkest, he thinks he's better!
He walks around with his nose in the air
The only thing bigger than his ego is his hair
He thinks that uniform he's wearing
Is a good excuse for his snobby glaring

Davey destroyed the punk scene
Davey destroyed the punk scene
He thinks that uniform he's wearing...
Makes him a punk, yeah!
Davey destroyed the punk scene
Davey destroyed the punk scene

I don't know when punk became a uniform
I always thought uniforms were for the army
But I guess he's got punk rock hair
He's paid a fortune for his gear, yeah!

Davey destroyed the punk scene
Davey destroyed the punk scene
He thinks that uniform he's wearing...
Makes him a punk, yeah!
Davey destroyed the punk scene
Davey destroyed the punk scene

We've got to try to stick together
Oi! oi!
We're not supposed to fight each other
Oi! oi!
Stand against the government but stand up for ourselves
Oi! oi!
If this ignorance continues punk will be lost on the book shelves
Oi! oi!

What happened to punk rock kids uniting!?
Now we're competing, now we're fighting!
He drives the younger kids away
Sacrificing us for his image, punk rock kids will pay

Davey destroyed the punk scene
Davey destroyed the punk scene
He thinks that uniform he's wearing...
Makes him a punk, yeah!
Davey destroyed the punk scene
Davey destroyed the punk scene
Davey destroyed the punk scene
Davey destroyed the punk scene

It's already destroyed!
