

Drink, Drank, Punk

Anti-Flag

Gulp, gulp, gulp
Gulp, gulp, gulp
I want to drink more beer
until I puke

Drink drank punk!
Drink drank punk!
Drink drank punk!
Drink drank punk!

I'm so cool
I can drink so much
I can drink more than you

Drink drank punk!
Drink drank punk!
Drink drank punk!
Drink drank punk!

Met a girl at the bar
Oh she was a 10 at 2:00
I gave her four stars
Oh I took her home she spent the night
Oh at 10:00 am she was a fright

Some old guy bought me some alcohol
we got drunk at the mall!

Drink drank punk!
Drink drank punk!
Drink drank punk!
Drink drank punk!

Mom's gonna get us at the mall
Oh in a drunken stupor hope I don't fall
Oh i chew on a big wad of gum
Oh mom won't notice, she's old and dumb
