

## Nowhere Man

### Anti-Nowhere League

Nowhere man, nowhere man  
You laugh at things you don't understand  
Nowhere man, nowhere man  
Wash my blood from your feeble hands

And even though your trying hard  
To make a better life  
All you do is turn away.....sharpen up your knives

Nowhere man, nowhere man,  
Your happy as a pig in sand  
Nowhere man, nowhere man  
You glut yourself on the fat of the land

Climbing up your ladder high  
One step at a time  
Treading on your fellow man.....your no friend of mine

Nowhere man, nowhere man  
Bowing down, you never make a stand  
Nowhere man nowhere man  
Beat the Jones's if you can....huh

Nowhere man, nowhere man  
In you ugly clothes you feel so grand  
Nowhere man, nowhere man  
Take a look at yourself.....you're a fuck of a man

And day by day your looking back  
To see what you have got  
A steady job, a tenancy ..... That ain't a lot

You laugh at things you don't understand  
Wash my blood right off your hands  
Nowhere man, nowhere man  
You nowhere, nowhere, nowhere man  
Nowhere man, nowhere man,  
You nowhere, nowhere, nowhere man!
