## **Pig Iron**

## **Anti-Nowhere League**

I have no fear...the new age is here Plastic age...road rage We got videos, stereos, radios and telephones Nubile contractors, nuclear reactors Sex scenes in magazines, laser beams And war machines I have no fear, the new age is here... Pig Iron Technology, it's all just shit to me...Pig Iron Satellites and motorbikes We got smog counts and head counts Silicon chips and breakdowns Virtual reality is breeding insanity Fuck this rat race...shoot me off Into cyberspace I have no fear, the new age is here...Pig Iron Technology, it's all just shit to me...Pig Iron Don't touch me... I'm dirty... Don't push me... I'm evil... Listen... Test tube families We got ecstasy, heroin, crack, cocaine, amphetamine Sniff it up, jack it up, blow your fucking brains out We got Star Wars, race wars, HIV and BSE I have no fear, the new age is here... Pig Iron Let's fire up the oven, we'll burn the atmosphere I have no fear, the new age is here...Pig Iron Pig Iron Pig Iron Pig Iron
