Anti-Pasti

You're paying for your majesty She's having fun She don't join the army And she don't get a gun You're paying for your civies Now what are they for? They never count the killings Hiroshima '84 Brew your own it's about to ferment No Maggie Thatcher and No Government You're paying for your majesty She's having fun She don't join the army And she don't get a gun You're paying for your civies Now what are they for?
