

## Mixed Feelings

Anuheia

Lately I've... broken one  
Too many hearts before, I'm so immature  
I swear I never meant to do it, oh no  
I prioritized, one on one and when I  
Really need him alive, I'm grow up and I  
Deserve now what I've been waiting for

I thought my luck had ran out on me  
But you came along, you came along  
And one thing that I gotta let you know is

I'm sitting here now  
I'm sitting here now  
We're mixing all these feelings  
We're mixing all these feelings  
There's something about  
Your smile tonight, boy I  
Could be falling in love  
Could be falling in love with you

Baby yeah, I've broken one too many  
Mirrors before, no love for sure  
Walked under one too many ladders, oh no  
And sometimes I... I feel like  
I am the only one who keeps searching  
For love I never seem to find

See I thought my luck had ran out on me  
But you came along, you came along  
And one thing that I gotta let you know is

I'm sitting here now  
I'm sitting here now  
We're mixing all these feelings  
We're mixing all these feelings  
Yeah there's something about  
Your smile tonight, boy I  
Could be falling in love with you  
Could be falling in love with you

Sitting here now  
Oh I'm sitting here now  
We're mixing all these feelings  
We're mixing all these feelings  
There's something about  
Your smile tonight, boy I  
Could be falling in love with you  
Could be falling in love with you

Sitting here, we're mixing  
All these feelings here with you  
When you're smiling boy I'm vibing  
Wouldn't give it [?]  
Mix it up, mix it up  
We're making love, it feels  
[?] keep it real
