

Can't Nobody Love You

Anya Marina

Can't nobody love you like I'm loving you, baby
'Cause they don't know how to love you like I do
Can't nobody love you like I'm loving you right now
'Cause they don't know how to love you like I do, oh

Gonna love you in the morning
Love you late at night
Won't stop loving you
'Til you tell me everything's alright
Can't nobody love you like I'm loving you, baby
'Cause they don't know how to love you like I do

Can't nobody kiss you like I'm kissing you right now
'Cause they don't know how to kiss you like I do
Can't nobody talk to you like I'm talking to you right now
'Cause they don't know how to talk to you like I do, listen now
!

Sam bought you cake and ice cream
Called you Cherry Pie
Ray Charles called you his sunshine
But you're the apple of my eye

Can't nobody love you like I'm loving you, baby
'Cause they don't know how to love you like I do
No, they don't know how to love you like I do
