

# Whatever You Like

Anya Marina

Stacks on deck, patron on ice  
We can pop bottles all night  
Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

Late night sex, so wet, so tight  
Gas up the jet for you tonight  
Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

Anytime you want to pick up the telephone  
You now it ain't nothin' to drop a couple stacks on you  
Want it, you could get it, my dear  
Five million dollar home, drive Bentley's I swear

I want your body, need your body  
Long as you got me, you won't need nobody  
You want it, I got it, go get it, I buy it  
Tell them other broke brother's be quiet

Stacks on deck, patron on ice  
We can pop bottles all night  
Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

Late night sex, so wet, so tight  
Gas up the jet for you tonight  
Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

Shawty you da hottest, love the way you drop it  
With brains so good, coulda swore you went to college  
Hundred K deposits, vacations in the tropics  
'Cause everybody knows it ain't trickin' if ya got it

Ya ain't never ever gotta go in yo wallet  
Long as I got rubber band banks in my pocket  
Five six, ride with rims and a body kit  
Ya ain't gotta downgrade, you can get what I get

My chick can have whatever she want  
Go in every store, buy anything she want  
And know you ain't never had a man like that  
Buy ya anything your heart desire like that

I want your body, need your body  
Long as you got me, you won't need nobody  
You want it, I got it, go get it, I buy it  
Tell them other broke brother's be quiet

Stacks on deck, patron on ice  
We can pop bottles all night  
Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

Late night sex, so wet, so tight  
Gas up the jet for you tonight

Baby, you can have whatever you like  
Yeah, you can have whatever you like, yeah

I'm talkin' big boy rides and big boy ice  
Let me put this big boy in yo life  
Whatever you like, Whatever you like  
You can have whatever you like, whatever you like
