## **Strike**

## **Apartment 26**

The situation is critical. Evacuate, alarm, strapped down and still. Flicked switched will detonate; Causing me no harm till I'm cut to size.

I call to memory times I Hold you down like that.

Does anyone believe it's me That I'm trying to rescue? There's something like a void I feel, And I'm dying to tell you.

The situation is critical. Evacuate, alarm, strapped down and still. Flicked switched will detonate; Causing me no harm till I'm cut to size.

I call to memory times I Hold you open.

Does anyone believe it's me That I'm trying to rescue? There's something like a void I feel, And I'm dying to tell you.

It's causing us no harm, So hold me open, calm me down Like that.
