

All Over Town

April Wine

Someone said you was, runnin' 'round
Like you owned the world
It's no secret, you're the talk of the town
You know, the best of the girls

That's right, and now you
Walk right out of my heart
You know it's all over town
I said you walked-walked, right-right, out of my heart
You know it's all over town
Now it's all over

You're so neat, you're so cute, you're so fine
You know that everybody wants some action
They see you comin', and they act like it's cool
Because they know that somethin's happenin'

That's right, because you
Walked right out of my heart
And, now it's all over town
I said you walked-walked, right-right, out of my heart
You know the word's goin' 'round
Now, it's all over, now, it's all over

I don't care (he don't care)
I don't care

I don't care what they say about us anymore
I don't care what they wanna do
Baby, all my heart is for you
No matter what happens

There's no reason why we still can't be friends
You know we all need someone we can talk to
No matter what they say, we both know I'm right
After all we've been through

And, now you walked right out of my heart
You know it's all over town
I said you walked-walked, right-right, out of my heart
You know the word's goin' 'round
Now, it's all over
I said you walked, right out of my heart
I said you walked (walked), right (right), out of my heart
You walked right out of my heart
And, now it's all over town
