

Not so long ago, when I was just a child  
I never realized the way I felt inside  
And how much you meant to me  
How much you meant to me  
And I don't think I've ever told you so  
And I thought you'd like to know  
That now I see and I can understand  
I understand

I was unkind, I must have been blind to your sorrow  
And night after night, trying to live with your sorrow  
And I was a bastard and I was wrong  
And I was lost in things I've done  
And I was stealing just for fun  
And it was breaking your heart

So long ago, when I was just a child  
I never understood, never realized  
How much you meant to me  
How much you meant to me  
And I don't think I've ever told you so  
And I thought you'd like to know  
That now I see and I can understand  
I understand

I was unkind, I must've been blind to your sorrow  
Night after night, tryin' to live with your sorrow  
I was unsure, and lookin' for more, I was anxious  
To be on my own, livin' at home I was restless  
And I was a bastard and I was wrong  
And I was lost in the things I'd done  
And I was stealin' just for fun  
And it was breakin' your heart  
It was breakin' your heart
