

# You Won't Dance with Me

April Wine

When I try to phone, they say you're not at home  
I don't believe that it's true  
And, when we fool around, you always put me down  
Now, what am I supposed to do?

When you won't dance with me  
And, you won't hold hands with me  
And, that's not the way to be  
Girl, you're treating me bad

It's hard to say (it's hard to say)  
What I have to say (what I have to say)  
And, I hope you understand (and, I hope you understand)  
But, you told Fred (but, you told Fred)  
You wished that I'd drop dead (you wished that I'd drop dead)

So, why should I bother to try?  
And, why should I cry  
When you don't want my love?  
When you don't want my love!

I used to walk you home, now I walk alone  
And, it seems that you don't care  
And, when we're at school, you say I'm a fool  
Why must you treat me so unfair?

And, you won't dance with me  
And, you won't hold hands with me  
And, that's not the way to be  
Girl, you're treating me bad

So, why should I bother to try?  
And, why should I cry  
When you don't want my love?  
When you don't want my love!
