

## Pack It Up

## Arabesque

Looking at each other `cause you haven't met for any more  
Waiting for each other done of asking have to close the door  
Why does it has to be  
We had such a wonderful time  
So if you still care for me  
I bet you let's give it a try  
I was right you were wrong  
Just so long  
Can we sing the song

Pack it up  
We'd make it up again  
Pack it up  
My love for you will never end  
Pack it up  
Keep kissing me till I say when  
If you leave me alone  
Who would be more alone  
Pack it up  
I love you like I used to do  
Pack it up  
I only wanna be with you

If you think it's over you and I will find a reason why  
If you talk it's over you and I will find an alibi  
But we must find a way to bring us back happy again  
It's not enough when we say it will never happen again  
I was right  
You were wrong  
Just so long  
Can we sing the song

Pack it up  
We'd make it up again  
Pack it up  
My love for you will never end  
Pack it up  
Keep kissing me till I say when  
If you leave me alone  
Who will be for a long  
Pack it up  
I love you like I used to do  
Pack it up  
I only wanna be with you

We'd better make it up  
Instead of break it up  
Don't give away this show  
It will be a touch and go

Pack it up  
We'd make it up again  
Pack it up  
My love for you will never end  
Pack it up  
Keep kissing me till I say when  
If you leave me alone

Who would be more alone

Pack it up

We`d make it up again

Pack it up

My love for you will never end

Pack it up

Keep kissing me till I say when

If you leave me alone

Who would be more alone
