

Dead Man Runnin'

Aranda

I'm a man that's walking dead,
And I won't forget,
No I won't forget.

Take me back,
Take me back,
Take me back,
Take me ba-ack.

Drown my days in alcohol,
It won't be long,
No it won't be long.

Take me back,
Take me back,
Take me back,
You're taking me back.

And now I'm all out of time...

Twenty days,
The devils chase,
I guess I'll keep on runnin'

Hey!

Rolling through the fire, (Hey!)
Wash me in the water. (Hey!)
I've lost control,
Sold my whole self.
And it keeps on commin'
Dead man runnin'
Woahh.
Dead man runnin'

Under that bridge in tahlequah,
I saw it all, yes I saw it all.

Take it back,
Take it back,
Take it back,
Take it ba-ack.

Well I drown my days in alcohol,
It won't be long,
No it won't be long.

Nobody's winning and nobody told me to.
Nobody's winning and nobody told me to,
Told me to do it.

Twenty days,
The devils chase,
I guess I'll keep on runnin'

Hey!

Rolling through the fire, (Hey!)
Wash me in the water. (Hey!)
Sold my whole self.
And it keeps on commin'
Dead man runnin'
Dead man runnin'
Dead man runnin'
I'm a dead man runnin'
