

Starting Over

Aranda

Am I breaking?
I can't own up
Nothing's making sense

Taking everything
Holding on to nothing
Is this where I begin?

I'm waking up
I've had enough
It's time to let it go

I'm alive
I'm a wreck
Gonna live my life with no regrets
And I'm gonna find my way
To start it over
I'm starting over

The past is over
Moving forward
New day in front of me

Oh, I'm waking up
I've had enough
It's time to let it go

I'm alive
I'm a wreck
Gonna live my life with no regrets
And I'm gonna find my way
To start it over
I'm starting over

And I
I'm a mess
Gonna live my life
Not dead, not yet
And I
Gonnaa find my way to start it over
I'm starting over

Woah-oh-oh-oh-oh-oh...

My faith is rising up
I feel it getting stronger and stronger
I'm not dead, not yet

I'm alive
I'm a wreck
I live my life with no regrets

And I
I found my way to start it over
I'm starting over

And I

I'm a wreck
I live my life
Not dead, not yet
And I
I found my way to start it over
I'm starting over
And I
No
Not dead, not yet
And I
I found my way to start it over
I'm starting over
And I
