

Good Time

Arc Angels

was hangin' out with some friends of mine
Down in Hollywood just a wastin' time
I knew right then nobody could get me down
Cause I'm takin' myself out on the town

Were gonna have a good time

I didn't think it could get much better than this
And then Charlie said "I know a place"
So I went inside that's when I saw her face
And then I knew I was gonna have a good time

Were gonna have a good time

She was the finest thing that I ever did see
I walked over to her just beggin' her please
I said "Hey baby, Do you wanna go out with me"
You wanna know what she said, she said

Were gonna have a good time
