Good Time

Arc Angels

was hangin' out with some friends of mine Down in Hollywood just a wastin' time I knew right then nobody could get me down Cause I'm takin' myself out on the town

Were gonna have a good time

I didn't think it could get much better than this And then Charlie said "I know a place" So I went inside that's when I saw her face And then I knew I was gonna have a good time

Were gonna have a good time

She was the finest thing that I ever did see I walked over to her just beggin' her please I said "Hey baby, Do you wanna go out with me" You wanna know what she said, she said

Were gonna have a good time
