

# Creature Comfort

Arcade Fire

Some boys hate themselves  
Spend their lives resenting their fathers  
Some girls hate their bodies  
Stand in the mirror and wait for the feedback

Saying  
God, make me famous  
If you can't just make it painless  
Just make it painless

Assisted suicide  
She dreams about dying all the time  
She told me she came so close  
Filled up the bathtub and put on our first record

Saying  
God, make me famous  
If you can't just make it painless  
Just make it painless

It goes on and on, I don't know what I want  
On and on, I don't know if I want it  
On and on, I don't know what I want  
On and on, I don't know if I want it  
(On and on I don't know what I want)  
(On and on I don't know if I want it)  
(On and on I don't know what I want)  
(On and on I don't know if I want it)

Some girls hate themselves  
Hide under the covers with sleeping pills and  
Some girls cut themselves  
Stand in the mirror and wait for the feedback  
Some boys get too much, too much love, too much touch  
Some boys starve themselves  
Stand in the mirror and wait for the feedback

Creature comfort makes it painless  
Bury me penniless and nameless  
Born in a diamond mine  
It's all around you but you can't see it  
Born in a diamond mine  
It's all around you but you can't touch it

Saying  
God, make me famous  
If you can't just make it painless  
Just make it painless

It's not painless  
She was a friend of mine, a friend of mine  
And we're not nameless, oh

It goes on and on, I don't know what I want  
On and on, I don't know if I want it  
On and on, I don't know what I want  
On and on, I don't know if I want it

(On and on I don't know what I want)  
(On and on I don't know if I want it)  
(On and on I don't know what I want)  
Well if you're not sure, better safe than sorry

Creature comfort, make it painless  
Creature comfort, make it painless

We're the bones under your feet  
The white lie of American prosperity  
We wanna dance but we can't feel the beat  
I'm a liar, don't doubt my sincerity

Just make it painless  
Creature comfort, make it painless

Na-na-na-na na-na-na  
Na-na-na-na na-na-na  
(Na-na-na-na na-na-na)  
(Na-na-na-na na-na-na)  
Creature comfort, make it painless
