Arctic Monkeys

B **Asm** **B** **Asm**
Just when things are getting complicated in the eye of the storm

She flicks a red-hot revelation off the tip of her tongue
B **Asm** **B** **Asm**
It does a dozen somersaults and leaves you supercharged

Asm
Makes me wanna blow the candles out just to see if you glow in the dark

Home sweet home, home sweet home, home sweet booby trap
I took the batteries out my mysticism and put them in my thinking cap
She's got a telescopic hallelujah hanging up on the wall
For when it gets too complicated in the eye of the storm
