Another Night

Aretha Franklin

All my friends have to ask if I'm shattered. I say the past is the past and it no longer matters. I made my mind up I can make it I'll be fine Even if I gotta fake it. I'll keep surviving. Another night - without you. Another night - I know I can get through. Another night - it's only another night - I won't be lonely. Another night - another night Another night - it ain't much Another night - without your touch. I used to search through the crowd to find you But I don't feel like it now So don't look behind you. You better face it I won't be calling I hit my stride when the evening is falling I'm gonna make it Another night - without you... Out where the music is loud and the people are laughing I'm gonna step on out I won't be down Gonna stand my ground for just another night Oh yes for a another night. I made my mind up I can make it I'll be fine Even if I gotta fake it. I'll keep surviving Yes I will. Another night - without you. Another night - I know I can get through. Another night - it ain't much I don't need you to be bringing me down
