

# Don't Play That Song

Aretha Franklin

Don't play that song for me  
'Cuz it brings back memories  
Old days that I once knew  
The days that I spent with you

Oh no! Don't let them play it  
It fills my heart with pain  
Please stop it right away  
'Cuz I remember just what he said

He said, "Darling"  
And I know that he lied  
You know that you lied  
You know that you lied, lied, you lied

Hey mister don't play it no more  
Don't play it no more  
I can't stand it  
Don't play it no more, no more, no more

I remember on our first date  
He kissed me and he walked away  
I was only seventeen  
I never dreamed he'd be so mean

He told me, "Darling"  
Baby, baby, you lied  
You, you lied  
You know that you lied, lied, lied

Oh darling, you know that you lied, yeah  
You know I know you lied  
Darling, you lied, you lied, you lied  
You're all that I need

You lied  
Oh, you lied  
Hey baby don't play it no more, don't do it  
Don't play it no more, no more  
I can't stand it no more  
Ooh hey! Don't play it no more
