

# Say It Isn't So

Aretha Franklin

Say it isn't so, say it isn't so  
Everyone is saying that you don't love me  
Say it isn't so

Everywhere I go, everyone I know  
Whispers you're growing tired of me  
Say it isn't so

People say that you, you found somebody new  
And it won't be long before you leave me  
Say it, say it, say it, say it isn't true

Tell me everything is still okay  
That's all I need to know and what they're saying  
Say it isn't so

Say that everything is still okay, yeah, yeah  
That's all I need to know, if you just say it to me  
Please say it isn't so
