

# Sunshine Will Never Be The Same

Aretha Franklin

Sunshine will never be the same  
I got a new thing I got a hot thing  
Sunshine will never be the same  
I got a new thing I got a hot thing

He touched! No! My tears faded away  
I'm singing "Oh Happy Day"  
He found my heart struggling in the dark  
Ad let me out

Sunshine will never be the fright  
As a light he put in me  
He set me free  
And this all world no longer bothers me  
My man is my strength and security yeah

Sunshine will never be the same  
I got a new thing I got a hot thing  
Sunshine will never be the same  
I got a new thing I got a hot thing

He's a reason for the change in my behavior  
He's been a savior yeah  
He's the reason for good living loving and giving  
God bless him! Lord!

And I'm back back on the right track  
All because of his love sweet sweet love  
My happiness not to show it  
People see that I'm glowing  
I've got my love I've got my love yeah

Sunshine will never be the same  
I got a new thing I got a hot thing  
Sunshine will never never never be the same  
I got a new thing I got a hot thing

Sunshine will never never never be the same  
I got a new thing I got a hot thing  
Sunshine will never never never be the same  
I got a new thing I got a hot thing

Sunshine will never never never be the same  
I got a new thing I got a hot thing  
Sunshine will never never ever never be the same  
I got a new thing I got a hot thing
