

Untitled Part 2

Ari Hest

I wanna make good on promises
I wanna make good I will resist
I wanna do right no matter what
Even if right feels so wrong

I wanna be part of what could be
I wanna be part of what I see
I wanna do right no matter what
Even if right feels so wrong

Hello? Hello? Hello? Hello?

I know that I've made the same mistakes
I know that I've had so many takes
I know I've had opportunities
Some of you've given up on

I know that I'm almost out of time
I know that I've almost been defined
I wanna do right no matter what
Even if right feels so wrong

Hello? Hello? Hello? Hello?
Hello?

Hello? Hello? Hello? Hello?

I know that I'm almost out of time
I know that I've almost been defined
I wanna do right no matter what
Even if right feels so wrong
