

nasty

Ariana Grande

You got me all up in my feels
In all kinda ways
I be trying to wait, but
Lately, I just want to keep it real (Real)
No more playing safe, let's
Take it all the way
I'm just saying

I just want to make time for you (Yeah)
Swear it's just right for you
Like this pussy designed for you (Yeah)
Ten out of five on you
Know I would sign on the line for you (Yeah)
Bet I look nice on you (Yeah)
Open my mind for you

Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for? (What you waiting for?)
What you waiting for?
Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for? (Waiting for?)
What you waiting for? (Waiting for?)
Don't wanna wait on it
Tonight, I want to get
Tonight, I want to get

Promise I'ma give it to you like you never had it
I do it so good, it's gon' be hard to break the habit
You like a whole constellation (Yeah)
Swimming like you on vacation (Yeah)
Promise I'm still gonna love you when you wake up in the A.M.

I just want to make time for you
Swear it's just right for you
Like this pussy designed for you
Ten out of five on you
Know I would stand on the line for you
Bet I look nice on you
Open my mind for you

Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for?
What you waiting for?
Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for? (What you waiting for?)
What you waiting for? (Waiting for?)
Don't wanna wait on it
Tonight, I want to get nasty
Tonight, I want to get

Boy
Boy, you know the vibes, I don't waste no time
Say what's on your mind, make it real life

Get all the homies to bounce
Go from the bed to the couch
And get to know how I'm feeling inside

So much conversation, words so sweet
Been so well behaved, but boy, I'm weak
Yeah, my body's gotta say something to you
That's one way to tell I speak the truth

Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for?
What you waiting for?
Don't wanna wait on it
Tonight, I want to get nasty
What you waiting for? (What you waiting for?)
What you waiting for? (What you waiting for?)
Don't wanna wait on it
Tonight, I want to get nasty
Tonight, I want to get
Tonight, I want to get
Yeah
