

# Four Shadows

Ariel Pink

Oi, oi, oi  
Oi, oi, oi  
Oi, oi, oi

Four shadows ring lifeless from guardians of time  
Banished from heaven  
Etched into dimensionless life  
Four shapes [?]  
Perched on the pillars of stocks setting loose on the glass

There in the afterglow  
Keep your eyes on the dream  
In the theater of endless reform  
Between what's to come and what always is and shall not be

In the night  
Only darkness in the night  
Things that go bump in the night  
Only darkness sinks at night  
Only darkness in the night  
Things that go bump in the night

Oi, oi, oi  
Oi, oi, oi  
Oi, oi, oi

Four shadows eclipsing the rays of the sun  
Blacker than black, girl  
Is that overlapping the sky  
Four shadows into dimensionless sleep  
Nothing to touch when the movie projector is me

In very vertigo  
Don't believe what you see  
Through the eyelids of sin, we did fall  
And between what's to come  
Ultraviolet and infrared

In the night  
Only darkness in the night  
Things that go bump in the night  
Only darkness sinks at night  
Only darkness in the night  
Things that go bump in the night

Oi, oi, oi  
Oi, oi, oi  
Oi, oi, oi
