

# Annie

## ARIZONA

Though I left you in a bad way  
Never call you back and you always say  
"Why you gotta go and dim the round to just like that?"  
Baby I know that you can't take  
The long nights and the heartbreak  
But I always know you're gonna be coming runnin' right back

It's okay, to get stuck in the game  
A little insecure, baby we're one and the same, woah  
Oh, oh, oh-oh

Annie, don't leave me hanging  
Oh, those big cold eyes that you're hiding behind  
Oh, I can see through 'em every time, oh, oh  
Annie, girl you know that I need you  
Oh I love it when you smile  
Won't you stay for awhile?  
I promise everything is gonna be fine, oh, oh

Everything is gonna be fine, oh, oh  
Everything is gonna be fine

I know it gets a little frantic  
Trying to keep up with all the antics  
Oh, I know you get so sad  
I hate to see you like that  
Oh-oh, oh-oh  
But you're a rebel, I'm a bandit  
Now we're ramblin' the abandoned  
Let's just burn it all down, baby, never look back  
Oh-oh, oh-oh

It's okay, to get stuck in the game  
A little insecure, baby we're one and the same, woah  
Oh, oh, oh-oh

Annie, don't leave me hanging  
Oh, those big cold eyes that you're hiding behind  
Oh, I can see through 'em every time, oh, oh  
Annie, girl you know that I need you  
Oh I love it when you smile  
Won't you stay for awhile?  
I promise everything is gonna be fine, oh, oh

Oh, oh, oh  
Oh, oh, oh  
I promise everything is gonna be fine, oh, oh  
Oh, oh, oh  
Oh, oh

We've both been here before  
So before you walk out the door  
Know it's just that game we play; the one we're both good at  
I'm saying everything about you  
But girl I wouldn't be so sure  
So let's just find a way, oh, oh

Annie, don't leave me hanging  
Oh, those big cold eyes that you're hiding behind  
Oh, I can see through 'em every time, oh, oh  
Annie, girl you know that I need you  
Oh I love it when you smile  
Won't you stay for awhile?  
I promise everything is gonna be fine, oh, oh
