Where did daddy go?
Mama, do you know, do you know
Cause I miss him so much
And he always give me money
He will bring me cake
And it's always so yummy
Before he go to work he say
Oh I love you, mommy
And then he comes back like
Hey I missed you, honey

Your daddy gotta do what he got to do
But when he's coming home he be kissing you
He got a little pain in the lower back
But do your little dance and he'll be right back
