

Arryan Path

Arrayan Path

Eat this sucker!
Civilization
It's just a dreadful place with forgotten souls
in the middle of the night we're losing the war
we're going down the drain
reality's fading
what have we become?

ARRYAN PATH IS CALLING ARRYAN PATH
ARRYAN PATH IS CALLING ARRYAN PATH

Civilization
has come to an end?
In the middle of the night we're drowning.
drowning
What the hell is going on?
where's the freedom, where is faith?
Follow the path and you will know
Come on now
