

Cimmerian nights, world of disaster  
and world of pain

Where time meets space, teel me tell me...  
out of the ashes, spiritual leader,  
a leader of souls  
there in the mystical rain was born a warrior  
the truth and rage were seen into...

IVORIAN THE GREAT YOUR DESTINY  
WAS PREDEFINED  
SURVIVORS OF THE FLAME A NEVER  
ENDING TRADEGY

Child gone astray, magic cam visualise  
all your lust  
he re-arranged everything else in the land  
fought like a king showed no mercy  
and killed with delight  
into the night, feel the air, feel the ocean,  
feel the sky...

IVORIAN THE GREAT THE GODS OF WAR  
BOW WITH DISGRACE  
AND NOW IT FEELS SO GREAT TO SERVE THE POOR  
AND FIGHT THE DARK RACE

Roaming and taking and raping  
bow to his glory he's the vurture  
he's the snake
