

# I Believe (When I Fall In Love It Will Be Forever)

Art Garfunkel

Shattered dreams, worthless years  
Here am I encased inside a hollow shell.  
Life began, then was done  
Now I stare into a cold and empty well.  
The many sounds that meet our ears,  
The sights our eyes behold,  
Will open up our merging hearts  
And feed our empty souls.

I believe when I fall in love with you it will be forever.  
I believe when I fall in love this time it will be forever.

Without despair we will share  
And the joys of caring will not be replaced.  
What has been must never end  
And with the strength we have won't be erased.  
When the truths of love are planted firm they're only hard to find,  
And the words of love I speak to you will echo in my mind.

I believe when I fall in love with you it will be forever.  
I believe when I fall in love this time it will be forever.

I believe when I fall in love with you it will be forever.  
I believe when I fall in love this time it will be forever.

I believe when I fall in love with you it will be forever.  
I believe when I fall in love this time it will be forever.

I believe when I fall in love this time it will be forever.  
I believe when I fall in love with you it will be forever.

I believe when I fall in love this time it will be forever.  
I believe when I fall in love with you it will be forever.
