

# Flippers

Art vs. Science

Hey, ho  
Use your flippers to get down  
Hey, ho  
Use your flippers to get down...

I can see you dancing - I see you dancing with your flippers.  
I can see you swimming - I see you swimming with your flippers.

I can see you clapping - I see you clapping with your flippers.  
I can see you happy - getting happy with your flippers.
