Ashanti

Were in the studio tonight with Ashanti  
How u feelin'?

Feelin' great I'm excited

You look good so to all your fans out there all over the world  
3rd album what should they get  
from this

Um I really want people to feel me on this one this is definite  
ly my best album I'm just  
excited about it the lyrics are just a little bit deeper hooked  
back up with 7 Aurelius so ites a  
beautiful thing to me

The albums crazy so explain to everyone the title Concrete Rose

Concrete Rose because when you think of Hip Hop you think of so  
mething grimy, grungy, kinda  
gritty Concrete when you think of RnB you think of something so  
ft sensual kinda like a Rose my music  
is considered Hip Hop and RnB so Concrete Rose
