

Won't you

Won't you stay a while  
It's hard to find the town so won't you stay a while  
We don't have to do much but just lay around  
Lemme lay down  
Hope you stay a while, do-do-do-do-do do  
Won't you

Smokin' on some Christmas tree  
Life could be a symphony  
If you see it differently  
(Tell me so, won't you)  
We can order Domino's  
Spill on our designer clothes  
Oh well, you know how it goes  
(You know how it goes)

Won't you stay a while  
It's hard to find the town so won't you stay a while  
We don't have to do much but just lay around  
Lemme lay down  
Hope you stay a while, do-do-do-do-do do  
Won't you

Think we are in the soft top, drop it  
Wander 'round with the wind on sunset  
With the volume, turned way up 'cause you playin' my song  
Won't you [?], all overseas, workin'  
We got a chance, just for today only  
How 'bout we both turn up our bones and hide away

Won't you stay a while (Stay a while)  
It's hard to find the town so won't you stay a while  
We don't have to do much but just lay around  
Lemme lay down (Lay down)  
Hope you stay a while (Stay a while, babe), do-do-do-do-do do

Won't you stay a while
