

## Interlude

Asher Roth

Damn Asher, the fuck you been at, man?  
Like you just came out, started growing your hair all long, stopped wearing shoes, and left everybody hanging, huh  
Man, I been here this whole time doing what I do best  
You know, me and Cannon, we back to business  
I felt it was only right we went and grabbed you, let you go back in, give the people what they been asking for  
Oh-oh yeah, excuse me, my fault, um  
For those who aren't familiar with the voice  
You might not know the face  
Uh, you might recognize the name  
It's the only Dram-F-Kennedy Junior that is  
Uh, Barack O'Drama, the mixtape president  
Just call me DJ-the fuck, whatever you wanna call me  
Just know right now, I know, wait for it, wait for it  
It's been a minute  
You listening to the Greenhouse Effect Vol. 2

We livin' like we should
