

## On My Own

## Ashes Remain

There's gotta be another way out  
I've been stuck in a cage with my doubt  
I've tried forever getting out on my own  
But every time I do this my way  
I get caught in the lies of the enemy  
I lay my troubles down  
I'm ready for you now

Bring me out  
Come and find me in the dark now  
Everyday by myself I'm breaking down  
I don't wanna fight alone anymore  
Bring me out from the prison of my own pride  
My God I need a hope I can't deny  
In the end I'm realizing  
I was never meant to fight on my own

Every little thing that I've known  
Is every thing I need to let go  
You're so much bigger than the world I've made  
So I surrender my soul  
I'm reaching out for your hope  
I lay my weapons down  
I'm ready for you now

Bring me out  
Come and find me in the dark now  
Everyday by myself I'm breaking down  
I don't wanna fight alone anymore  
Bring me out from the prison of my own pride  
My God I need a hope I can't deny  
In the end I'm realizing  
I was never meant to fight on my own

I don't wanna be incomplete  
I remember what you said to me  
I don't have to fight alone

Bring me out  
Come and find me in the dark now  
Everyday by myself I'm breaking down  
I don't wanna fight alone anymore  
Bring me out from the prison of my own pride  
My God I need a hope I can't deny  
In the end I'm realizing  
I was never meant to fight on my own
