

## Vultures

Asking Alexandria

Close the curtains, cash me in  
Gather photographs of the Devil you let in  
Digging deep inside my soul  
I don't know, I don't know

Where to turn  
Everywhere I look these vultures burn  
The life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes?

Keep me numb, I'll follow direction  
A pawn to pass around and be bled until I'm dry  
It's hard to see what's underneath  
Is it me? Is it me?

Where do I turn?  
Everywhere I look these vultures burn  
The life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes?

For so long all I've known, all I've seen's  
Green lights. Fuck your greed, all I need's somewhere  
To catch my breath, rest my head and ease my mind  
I've been holding on  
But my grip ain't what it used to be  
I'm much older, I'm bitter, I'm jaded, I'm lost  
Can somebody give me a sign?

Where do I turn?  
Everywhere I look these vultures burn  
The life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes?

Where do I turn?  
Everywhere I look these vultures burn  
The life right outta me  
Do I run or lay down and die?  
Is it time to close my eyes?
