

## The Feeder

Asphyx

Spending his days and nights, searching online  
Visiting dating sites for a concubine  
Abnormal fetishist, extraordinary sin  
At last the perfect victim, a "romance" begins

Candlelight and flowers, fancy restaurants  
She's devouring every course and he's got what he wants  
Exciting voluptuosity, the feeder gets aroused  
Irresistible persuasion to move into his house

Stimulate her craving, increasing calories  
Double up the portions 'til she grows obese

Mass produced nutrition  
Watching her eat  
Insatiable hunger  
Time to feed

Total immobility, desirable consort  
Confined to her bed, thighs hanging on the floor  
Wobbling blubber, rippling rolls  
Utmost satisfaction with phallus in folds

Limitless her flabbiness pushing things too far  
His mistress exploding, flying blobs of lard  
Blood, flesh and grease, intestines and gore  
His beloved one now gone and won't come back no more
