

Freedom Street

Aswad

Let's not a quarrel, let's not fight
Let's get together, we all can unite
Then take off these chains from off our feet

Yes, we're gonna walk, we're gonna walk
Walk, walk, walk down the freedom street
Walk, we're gonna walk
Walk, walk, walk, down the freedom street

United we stand, divided we fall
Respect your brothers, sisters and all
Let's not deal with illiteracy
Work it out intelligently

Yeah, we're gonna walk, we're gonna walk
Walk, walk, walk down freedom street
Walk, we're gonna walk
Walk, walk, walk, down freedom street

Can't see clearly 'cause I worked hard last night
Must be a vision 'cause there's no change in sight
I see a big, big street, where all hands meets
It must be freedom street, oh Lord, freedom street

Everybody knows we're gonna walk, we're gonna walk
Walk, walk, walk, down freedom street
Walk, we're gonna walk
Walk, walk, walk, down freedom street

We're gonna walk, we're gonna walk
Walk, walk, walk, walk down freedom street
We're gonna walk, we're gonna walk
Walk, walk, walk, down the freedom street

Walk, we're gonna walk
Walk, walk, walk, freedom street
Walk, we're gonna walk
Walk, walk, walk freedom street
We're gonna walk, we're gonna walk
