

I Will Keep On Loving You

Aswad

Yes I will, you know that I will
Yes I will, 'cos I'm sure that I will
Love you, love you, love you

So no matter what they do
And no matter how they contradict
My philosophy, I know that
I will keep on loving you

So no matter what they do
And no matter how they contradict
My integrity, I know that
I will keep on loving you

See I will keep on loving you
Until the wind stops blowing through the air
Oh oh, I will keep on loving you
Until the morning dew stop falling
Lightly on the ground
Oh, I will keep on loving you until, until

So no matter what they do
So no matter how they kinda fool me
Trying to fill my head with lies
I will keep on loving you

So no matter how they persecute
My decision through righteousness
I will keep on loving you

Ya see I will keep on loving you
Until the sun refuses to give, its light to all
Oh, I I'll keep'on loving, you
Until the moon it stops glowing at night
Oh, I I'll keep on loving you until, until

Until all the mountains
Have crumbled down
Yes all of them are washed
Into the sea you see

They could try a little more
They could really, really really come to cold I up
But I know that
I will keep on loving you

So no matter what they do
And no matter how they trick me fool me
Trying to confuse me with their lies
I know I will keep on loving you

For the fear of his wrath
Yes the fear of him it's always present
Always ever present in my heart
So I will keep on loving you

See even when I'm down there

In their prison cell I know that
I will keep on loving you
When the times get rough
And they say there's not enough to go around
I will keep on loving you

Yes, I will I'll keep on loving you
When life gets dreary I won't get weary
You see I and I Aswad by the grace of God
Living in the righteous way
