

So Good

Aswad

Now that I found you girl, we're gonna make it
Oh yeah, heaven must have sent you to me, oh

A million faces on a crowded street
But all that I could see was you
You must have read my mind 'cause here we are
And I shiver at the thought of what we're gonna do
Heaven knows you're such a habit I can't break
I crave your loving everyday, baby
And if I'm dreaming now, please Lord don't let me wake
'Cause I never, no not ever, wanna be without you girl

'Cause your love so good (your love so good)
Your love so fine (and it's got me)
So high, so high (and you know it's)
No lie, no lie (oh...come on)

When I'm here with you times stands still
It doesn't matter where we are
And anything you do is fine by me
You could never, oh no, ever go too far
I can't imagine life without your special touch
You fulfill the need in me
As long as I know that you feel the way I do
We will always be together, come what may

Your love so good (your love so good)
Your love so fine (girl you know you make me)
So high, so high (I'm not lying to you)
No lie, no lie (you're so)

Sweet in the morning, sweet in the evening too
Sweet in the morning, sweet when I'm feeling blue
(And you make me feel)
Sweet in the morning, sweet in the evening too
(I love your way)
Sweet in the morning, sweet when I'm feeling blue

And I want you to know that
You're so good
Heaven must have sent you to me
Believe me, please believe
When I say

Your love so good (your love so good)
Your love so fine (girl you know you make me)
So high, so high (I'm not lying to you)
No lie, no lie (oh girl)
