

Fahrenheit

At the Drive-In

kid creole killed all of his own people
instigate the beat genuflecting
in the steeple
video killed what we
once
stood for
who we gonna look to now?

if these walls could speak
i wouldn't tell them anything
don't ask me, don't ask me

press eject, and give me the tape
if you know what's good for you

ghetto blasting on the basement floor
