

Honest to a Fault

At the Drive-In

i can't take back all the things that
i've done with my anger
sonic sounds constantly traveling
in and out of my blue screened mind
two drops down and here i thought
that you'd never treat me like that
where's my saviour?
hallowed thoughts you won and lost
i'm chained to your mind

if i fall behind
it's 'cause I'm waiting for now
will you fall in love with my anger?
