

## Oh My God

Atari Terror

(I) can't believe it!  
Oh my god!  
(I) can't believe it!

Look at you  
Look at me  
Look around us It's not real.  
Oh my god  
You'll believe  
You are nothing without me.

Tear off your gods  
I am the one  
I am the one  
I am your god!

Hey! You're knocking my door!  
Welcome to my Kingdom, poor.  
You will be happy in my world.

Look at you  
Look at me  
Look around us this is real.  
I'm your god  
You believe  
You are nothing without me, oh yeaaahh!

Hey, we are angels  
and we will carry you  
on our hands  
on your hands...
